- Guest fees apply to all boater guests and must be paid upon arrival (gate or kiosk). Please ensure you arrive before your guests, so they are able enter the club grounds. Any member allowing a guest to use the club or docks without the member present will be subject to membership termination without refund.

- Launching kayaks, canoes or any other watercraft from the docks or dock area is prohibited.
- Children under 16, non-boater members, and guests must always be accompanied by the boating member while on the docks.

- Boaters are required to report any accidents or collisions with another boater or boat (at our docks) to the Dock Master within 24-hours. Boaters are also required to carry insurance and provide this policy# to the Club prior to putting the boat at the assigned dock.
- Only sufficient marine approved bumpers, lines, and hardware are allowed on the docks. Use of other gear or materials to protect your boat or the docks is prohibited. It will be the boater responsibility to reimburse the Club for damage and/or repairs to the docks due to member negligence or insufficient marine protective equipment or hardware.
- The HCC will provide (but not install) 8” galvanized cleats and lag bolts and washers. Please do not use your own without prior approval from the Dock Master.

- Dogs must always be leashed and are only allowed to go to and from the boat and are not allowed in the picnic areas or on the grounds. If needed, dogs can be walked to the far northeast corner of the property closest to the river. Please pick up and properly dispose for your pet's waste.
- Dock assignments can be moved at the Dock Master's discretion in order to ensure the safety and integrity of the docks and/or to better suit the Club's need for space.
- During times of severe weather or other water emergencies deemed to be a threat to the stability of our docks the Dock Master or his designee will send communications via email to remove all boats from the docks. At times this may be short notice. Boaters are expected to respond to the request within the timeline given. Boaters should also have a back up person to take care of these possible requests should you be out of town, on vacation, etc.
- Boat slips are not guaranteed from season to season. The Holyoke Canoe Club Executive Board reserves the right to suspend, rescind or un-invite any member who is not in "good standing" and/or any member whose behavior is believed to negatively impact the Club, its members or employees.
